

Lot 21 Blonde Ale

5.50% ABV | 27 IBU

A straw to light amber hue highlights this low hopped, crisp, refreshing, light bodied ale. Pilsner and Munich Malts with German hops make this blonde very easy and smooth on the palate. Blondes are the transition beer from the macro beers to entering the craft brewed world. This is an excellent lawnmower beer.

LOT 21 is named after the first settlement in Millersburg.
